

Velp, December 8 , 2017

To whom it may concern:

Safety assessments have been done on "Happy Senso" according to the EC Regulations No. 1223/2009 on Cosmetic Products to guarantee the safety for use. The safety information is readily accessible to the Dutch competent authorities, at the addresss on the packaging. For that purpose the product is notified to the Dutch authorities.

Officials of the Dutch Health Authorities regularly supervise the safety dossiers.
